LETTER OF RECOMMENDATION

I find great pleasure in recommending the candidate of **Mr. BOPPANA VIJAYA KRISHNA** to your university. He is a very intelligent and industrious student with a promising career in the field of Computer Science. I taught him I.C Engines and Gas Turbines. He has a good hold on the fundamentals of the above subjects.

He is diligent & obedient individual who has profoundly impressed me. His intellectual potential and the patience he bears for devoting him completely to accomplish any task are worth noting. His excellent grasping power, profuse subject involvement and systematic approach evident from his fine performance both at classroom and laboratory level amply demonstrate his exceptional aptitude in the engineering profession. His technical knowledge is no doubt an asset to him.

Mr. BOPPANA VIJAYA KRISHNA showed a consistently bright performance throughout his stay in the department. He is quite intelligent and industrious. Further he is quite responsible and dependable too. He is an enthusiastic participant in class room discussions and seminars. He actively participated and conducted many events as a part of our intra-department fest and I am very much pleased in his active participation. Apart from this, he is having much zeal to serve the society and it can be seen as he had actively participated in the blood camps conducted by the Red Cross Society.

As a final word, I strongly recommend **Mr. BOPPANA VIJAYA KRISHNA** to be considered for admission in your university with maximum financial assistance as I am convinced that he has the aptitude and zeal to pursue a Master's degree program in your university.

LETTER OF RECOMMENDATION

This is to certify that Mr. BOPPANA VIJAYA KRISHNA was one of the best students of Mechanical Engineering department. He is very good at academics and also a leader to the core having been elected as class representative for four consecutive years. I taught him *Production of Machine Tools* as a part of the academic curriculum.

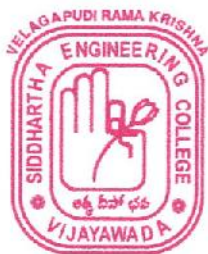

He is reliable, dependable and responsible to any task assigned to him. As an excellent organizer of many events that took place in our department, he made him quite popular among students and teachers alike. He was very helpful to us acting as liaison between the students and the faculty paving way for smooth functioning of our department.

He has the attribute of presenting ideas with clarity. He has made paper presentation at various technical symposiums. He is mild mannered, possesses high standard of integrity and has the ability to cultivate team-work. He is a great team player and is a natural leader.

His organized and systematic approach towards any job assigned to him is impeccable. He also maintains good rapport with the faculty members and his peers. Based on his flair for knowledge, sincerity of purpose, motivation coupled with sound communication skills both oral & written, I strongly recommend him for admission into Graduate program and research activity with adequate financial assistance.

LETTER OF RECOMMENDATION

I am very pleased to recommend **Mr. BOPANA VIJAYA KRISHNA**, a student of Mechanical Engineering Department, Velagapudi Ramakrishna Siddhartha Engineering College, who is aspiring to pursue his graduate studies at your esteemed institution. I taught him *Design of Machine Elements* as a part of the academic curriculum.

He is mentioned in his approach towards any task. His positive outlook and ability to meet challenges, to lead people and deliver results, has been widely noticed and appreciated by all in college. His diligence and hard work has always kept him one step ahead of his peers. He is always interested in solving much complicated problems and had a keen acumen to implement tough algorithms. He mostly efforts in updating his knowledge continuously with fast paced momentum that earned him ample amount of time which he utilized to perform his research work.

He had a great and vast knowledge of the subject and secured the marks with ease. His confidence is also one of the abilities in him which makes me to guarantee you for sure that he will continue to succeed further in his studies. He is one to go beyond the immediate nature of the subject and look at it from larger perspective. **VIJAY'S** impeccable track record in academics has impressed me a lot. It ranks him among the top students of his class. He has proved his mettle in many fields. He is brilliant, self-motivated and focused.

It is for these reasons that I offer high recommendations for him without reservation. His drive and abilities will truly be an asset to your establishment. I am sure that he will excel in his chosen field. I whole heartedly propose his candidate for admission into your esteemed university. I will be happy to contribute to any discussion that needs to be done on his candidature.
